After-School Activities February 2012

New After School Activities Sign-Up Options:

Grade 1-5

I would like to "auto enroll" my child for all future after school activities for the remainder of this school year

Due to the same children wanting to come each month, this new option means they will be signed up for all after school activities for the remainder of this school year (till June 2012). Please notify me at the beginning of each month the days that your child will not be attending, otherwise I will schedule them for all activities. I will distribute a new list each month for Grade 1-2s (because there may be new sign-ups, and to alternate the waiting list), and by circling yes you do not have to fill in a new form each month unless scheduling plans change for you at that time. Waitlists will still be created if there are over 20 children scheduled, and waitlists will change on a month to month basis.

(YES / NO)

Grade 3-5's Only

I give permission for my child to attend after school activities on a drop in basis.

This means that your child can attend any time they wish to come, there is no formal list. In the very rare event that there are over 20 children who attend, it will operate on a first come, first serve basis. This means that if there are 20 children who have come on that particular day, that the last child to show up after 20 children have arrived will be sent home. So far drop in has been the best method to the program.

(YES / NO)

If you only want to sign-up your child for certain days, be it in Grade 1-2, and 3-5, please check mark the days on the schedule on the back of this form

After-School Activities February 2012

Please Note: Sign-ups will be required for special events, such as field trips away from the school. Auto-enrollment and drop in will **not** apply to any special event activities. Any special event will require a **field trip form** to be signed and approved by parents, and a custom list will be created just for that particular event. Auto-enrollment and drop-in will be applied to all activities that reside on school grounds.

*There is no need to check mark the boxes if you have either **auto-enrolled**, or give permission for **drop-in***

Please check-mark '✓' next to the activity that you would like your child to participate in.
